## Greetings and thank you for registering for our Iowa Bridal Show Sale Event!

My name is Shane Kiesner and I am the Owner of Smiling Dog Entertainment. Smiling Dog Entertainment is the premier provider of event and party related services in Iowa, northern Missouri, southern Minnesota, eastern Nebraska, and western Illinois. From barn to black tie, family to corporate, we've got entertainment and equipment options sure to deliver more fun, smiles, laughter, and love to all your guests.

This Bridal Show Sale is one of the few times ever that we are running a promotion of this magnitude. We are offering one-time discounted prices across the board for many of our services. We are doing this for 2 reasons. First, we have a few open 2021 and 2022 dates that we would like to fill. Second, we are testing customer response to a few of the price points we are offering. I can assure you that during this event we are offering the **LOWEST PRICES EVER** on our services. In fact, we will soon be restructuring our prices and packages, which will result in an increase in pricing for many services (it has been a while since we have increased our rates and our costs and quality of services have gone up).

### A few warnings about the sale

1. Sale prices are for new bookings only. If you are an existing customer, you may add-on sale items to your package but cannot partake in offers for anything you have already booked.
2. Sale prices are subject to availability. Simply put, we are already fully booked for many dates. If we are not available, we will promptly refund your money for any sale purchase and notify you within 48 hours (probably sooner).
3. Quantities are limited. In this sale flyer, you can see how many of each item will be available at the discounted rate. Please note that our online system may allow bookings beyond those quantities and we will back out those orders within 24 hours. We do this as the system cannot tell what dates are available and which ones are full. Please do not get overly excited until we confirm that your booking has been finalized.
4. Sale prices require payment in full.

I truly hope that you are able to get in on these awesome deals and that we will be working together on your wedding or special event in the near future.

Best Wishes,

**Shane Kiesner**

Owner of Smiling Dog Entertainment

## Testimonials from previous clients:

We used Smiling Dog Entertainment for our wedding reception and could not have been happier with how it all turned out! They were incredibly easy to work with throughout the whole wedding planning process. They designed a photo strip that matched our wedding décor theme, set up the booth during the reception without any issues and were great to help people in and out of the booth all night! My husband and I got back from our honeymoon with a book of photo strips of everyone who came to our wedding and it was such a fun thing to look through and reminisce on the day. Great people and great business, we will definitely be recommending them to ANYONE planning an event!

Shane's photo booth was an absolute blast at our wedding! Shane and his attendant were extremely professional and went above and beyond our expectations. If you are looking for a photo booth that is affordable but professional quality, this is your guy! Thanks again for everything Shane!

Smiling Dog Entertainment provided the photo booth at our wedding & it was such a fun experience for our guests! They work with you to create a customized photo strip design for your event, then they brought way more props than I expected them to which made it possible for a variety of photos. They didn't limit the amount of times kids could go in, which the kids loved, and Shane and his wife worked throughout the event to make sure a copy of each strip was put in a special book for us that guests could sign and then handed us the very nice, full-sized leather book THAT NIGHT!! We were blown away by how hard they were working & I'd highly recommend them.

We had an awesome experience with Photo Booths by SKP (now Smiling Dog Entertainment). The price was fair, they came on time, and they were all super nice. My mom had a fabulous wedding because her guests were happy. Weddings can be stressful and things do fall apart or go wrong at the last minute, but that wasn't the case with our photo booth. Thank you for helping us make memories. I'd definitely recommend SKP to anyone who wants to have an amazing time! Thank you!
